Lost in Sea

i gave my heart away so willing
to the one i trusted blindly
but now the pain inside is
gutting me so deep

you shattered my faith
left me in complete
now im drowning in hurt and
forgiveness is not your friend this time

lost in sea
of doubt and misery
betrayed by the one
i thought id see tomorrow

wounds so deep
and scars so clear
forgiveness is not in the cards
not this time my dear

Lost in sea
of pain sorrow and misery
betrayed by the one i thought
 i see tomorrow

searching for some answers
but they never come
i just wanna be set free
from this hurt you caused me

lost in sea
by this doubt and misery
betrayed by the one i thought
i see tomorrow

wounds so deep
and scars so clear
not sure i can forgive mend
this broken heart once again
wounds so deep
and scars so clear
betrayal so real

wish i could learn to just let go

and be free
lost at sea
please save me
lost at sea
betrayal so real
betrayed by the one i thought i see tomorrow
lost in sea
betrayal so real
these wounds won't heal
please save me
cuz im lost im lost
lost in sea
