Producer Fantom

Intro  
Oh Chantelle Bee  
Yeah yeah yeah  
Yeah ohhh

Chorus  
Damnnnnn, damn I'm Gorgeous  
Should be living in a Fortress  
By Now  
No Judgment can Define me  
I'll fight the hate  
With my Radiant Beauty  
Oh I can Heat up a Room you see  
Just by Entering  
Yeah

Verse One  
I'll walk with Confidence  
And my head held up High  
I don't need to fit in  
I'll still soar to the sky  
My curves my edges of my body  
Tell a story good and bad  
Oh I'm a masterpiece  
And that's a fact

No need for applause I can cheer  
For myself I got mirrors for that  
(Chantelle bee cheering in background)

Oh you think I'm Conceited  
You think I'm ugly  
Let me tell you something  
Cuz I really don't give a—
